L. Cuesta, M. Montes, F. García-Bragado, P. Fernández,
A. Echegoyen y P. Pascual
Hospital Virgen del Camino, Pamplona.

Gastritis crónica atrófica corporal difusa asociada a hiperplasia de células endocrinas, con tumores carcinoides múltiples

J.M. Larzábal
Hospital Nuestra Señora de Aránzazu, San Sebastián.

TÉCNICOS SUPERIORES en anatomía patológica y citología

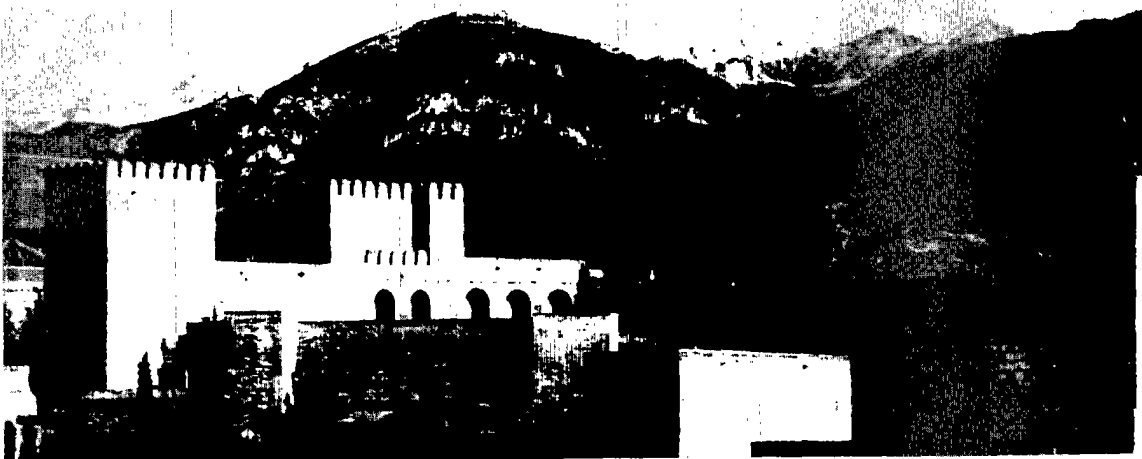

■ Primera Promoción con la nueva titulación (Ciclo Formativo de Grado Superior) que contiene formación teórico-práctica en *screening* citológico y formación en centros hospitalarios.

■ Titulación reconocida oficialmente (RD 550/1995 de 7 de abril - BOE de 6 del 7 de 1995) y en Europa (LOGSE 1/1990 de 3 de octubre - BOE 4 del 10 del 1990).

■ **DEMANDAMOS EMPLEO** en hospitales públicos y privados.

■ Interesados ponerse en contacto con:
Hospital General de Asturias: Dra. Teresa García Miralles.
Tel.: (98) 5106100 (Ext. 38697).

■ *Silvia Méndez Lombán.* Tel.: (98) 5547908.
Nuría Zapico Ortiz. Tel.: (98) 5291900.

MEMORIAL SLOAN-KETTERING CANCER CENTER
SURGICAL PATHOLOGY OF NEOPLASTIC DISEASES

May 3-7, 1999

Granada, Spain

The Twenty-Second Annual Course on the Surgical Pathology of Neoplastic Diseases given by the members of the Department of Pathology of Memorial Hospital, MSKCC, New York, NY, will be held in the Palacio de Congresos, Granada, Spain, from Monday, May 3 to Friday, May 7, 1999.

Course Director: Juan Rosai, M.D.

Course Associate Directors: Philip H. Lieberman, M.D., and Raimundo García del Moral (University of Granada, Spain)

Faculty: Drs. Klaus J. Busam, Carlos Cordon-Cardo, Paul B. Gaudin, Robert A. Erlandson, David S. Klimstra, Philip H. Lieberman, Victor E. Reuter, Juan Rosai, Paul Peter Rosen, Marc Rosenblum, Lee K. Tan, James Woodruff

Subjects: Breast; Genitourinary Tract; Neuropathology; Pancreas; Skin; Soft Tissues; Unknown Cases Contest

The inaugural session will be on Monday evening, May 3. Sessions on all other days will begin at 8:00 AM and end at 5:30 PM. The lectures will concentrate on controversial topics and recent developments on the various disease entities, and will emphasize the MSKCC approach towards these subjects. All lectures and discussions will be in English.

The Registration fee is \$850 (\$500 for pathologists-in-training; certificate by Program Director required). This includes attendance at all lectures, syllabus with Kodachrome slides, daily buffet luncheon, refreshment breaks, reception, and cocktail-buffet. The deadline for registration at the fees listed above is December 31, 1998. Early registration is strongly advised. Applications will be accepted on a first-received basis.

Memorial Sloan-Kettering Cancer Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing Medical Education for Physicians. Accreditation: This continuing medical education activity meets the criteria for 30 credit hours in Category 1 of the Physician's Recognition Award of the American Medical Association.

This course is held under the auspices of the Department of Anatomic Pathology of the U. of Granada.

For further information, including complete program, contact: Ms. Maureen Flaherty, Department of Pathology, Memorial Sloan-Kettering Cancer Center, 1275 York Avenue, New York, NY 10021, USA. Tel: 212/639-8338, Fax: 212/772-8521

FIRST INTERCONTINENTAL CONGRESS OF PATHOLOGY

SLAP

ESP

MADEIRA 2000

MAY 1-6, 2000

FUNCHAL - MADEIRA ISLAND

DATE AND VENUE

From May 1st (Monday evening)

to May 6th (Saturday noon), 2000.

The Congress will be held at the Casino Park Hotel in Funchal, Madeira Island, Portugal.
